WIENERBERGER SUSTAINABLE BUILDING ACADEMY

WHAT IS WISBA?

The Wienerberger Sustainable Building Academy (WISBA) is an international education program in the field of sustainable building.

WISBA is jointly developed and coordinated by Wienerberger AG, as well as the Vienna University of Economics and Business, in cooperation with other European technical universities.

TARGET GROUP

WISBA is dedicated to Masters students of Architecture and Civil Engineering who are outstandingly motivated in the field of sustainable building and wish to extend their knowledge and experience in this area.

THE PROGRAM

WISBA 2013/2014 supports these target groups in Austria, Germany and Poland by financing international training that is accredited with 5 ECTS and realized with experts from universities and industry.

Travel, accommodation and program costs will be covered.

The program will be first implemented over Autumn semester 2013/2014 in the countries Austria, Germany and Poland.

- Places for 12 students - 4 Austria, 4 Germany, 4 Poland
- Students will be split into 4 groups, each with 3 students (one from each country)
- Work on 4 project topics
